

TROY Exclusive Security Features

TROY Variable MicroPrint
User defined fields appear as a solid line to the unaided eye which can only be read under magnification.

TROYMark™
Prints a repeating "watermark" of user defined variable document data anywhere on the document to make fraudulent alteration virtually impossible.

TROY Copy Evident Pantograph
A hidden COPY message, printed behind document information, is revealed by unauthorized copying.

Major Selling Points

- **Most Secure Printing Solution**
TROY embedded firmware provides industry leading print on demand security features.
- **Reliable Printing**
HP award-winning reliability combined with printer optimized security from TROY.
- **Versatile supply options**
All TROY printers are fully compatible with either TROY cartridges or standard HP cartridges.

TROY Toner

TROY Security Toner

Patented TROY Security Toner anti-fraud technology forces a red stain to appear if chemical alteration of a document is attempted. TROY Security Toner is an easy and cost-effective way to add a new layer of fraud protection to all of your important documents.

Secure DXi Printers ship with TROY Security Toner - 02-82020-700

TROY Standard UV Toner

Images and text printed with TROY Standard UV Toner appear standard black to the naked eye but fluoresce blue for simple verification. Authentication is achieved when the document is held under a UV light, providing an additional layer of covert security and authentication.

Optional TROY Standard UV Toner - 02-82026-001

Add new security features to all of your important laser printed documents

- Government Issued Certificates
- Government Identity Documents
- Educational Reports
- Degrees & Certifications
- Corporate Contracts
- Certificates of Authenticity
- Judicial / Legal Documents
- Medical Documents
- Vital Records
- Titles of Ownership
- Tickets

M605/M606 Secure DXi Printer Features and Specifications

TROY Security Features

- TROY Copy Evident Pantograph** - Hidden feature appears across a photocopied version of document
- TROY Customizable MicroPrint Font** - Font appears as a fine line to the unaided eye; visible only under magnification
- TROY Variable MicroPrint** - User defined data can vary by document; characters print as a fine line
- TROY ExPT™** - Realigns margins to allow for accurate placement of data onto printed page
- TROY Toner Sensing** - Detects presence of TROY Toner Cartridges
- Disable Jam Recovery** - Prevents duplicate copies when a jam is created at the printer
- Auto Set Density** - Optimizes print quality by maintaining consistent toner levels; an override is reset with each print job
- Warning Indicator** - Provides toner low notification
- Flash Memory** - Allows downloading of new fonts without requiring updated TROY firmware
- Barcode and Fonts** - U.P.C. Version A & E, EAN 13 & 8, Interleaved 2 of 5, Code 39, Code 128, Postnet, and Security Fonts
- Menu Administrator Password** - Identifies each user with a unique password
- Uses TROY or HP Standard Toner Cartridges** - TROY security features require TROY Toner Cartridges
- PIN-Activated Controls** - Allows printer to be set up with PIN control requiring PIN for each print job
- TROY Enhanced Audit** - Provides a secure printer-resident record of select information
- Datastream Encryption and Decryption** - Protects confidential data over the network
- Password Protected Signatures & Logos** - Security and controls for data sent to the printer
- 3-Position Keylock Printing Control** - TROY Secure, Locked, and Standard HP
- TROYmark™ Intelligent Anti-Tampering Technology** - A watermark of user defined variable data
- Paper Tray Security Locks** - Safeguards high value paper stock providing access to authorized personal only
- PJL Bi-Directional Function** - Allows bi-directional communication from the printer to customer applications
