- › Industrial Color Laser Printer | 11" x 17"/A3
- › Prints barcode labels, color labels of 2.2" to banners of 1.32 m long, **on diverse media**

Mission-critical printing for industries that rely on speed and efficiency.

Affordable, versatile, and built to deliver high-quality results, the Printronix LP844C provides **professional tabloid/A3-sized high definition color** output at speeds that meet the demands of your business.

With media handling capabilities that are unmatched in its class, the Printronix LP844C adapts to the specific needs of your business. **Multiple paper trays allow for expansive paper handling capabilities, fitting up to 2,540 sheets, and easily handles substrates with weights between 64 and 256gsm.** This gives users endless production abilities in-house, on demand.

The versatility and straight-through paper path make it effortless for users to run ultra-thick sheets for labels in one moment and print full color customer-facing documents the next, making it the most powerful compact-sized industrial printers in the market. **It prints from the smallest barcodes and color labels to banners of 1.32 m long.**

The Printronix LP844C is **a game-changer for all businesses and is consistently delivering high performance results for the most demanding industrial environments.**

Why choose the Printronix LP844C?

- › Smallest Tabloid/A3 printer in the market
- › Unrivalled TCO
