Manufacturer's Authorization Form 2020

Whereas PRINTRONIX LLC., established in Irvine California is the manufacturer of Line Matrix and Serial Dot Matrix Printers, with factories in Malaysia and The Netherlands do hereby acknowledge, that Globalis International Inc. (having main office at 2345 Michelin, Suite 210, Laval, QC H7L SB9) and its affiliate AlisTech Trading LLC (with its office in Dubai, UAE) is an Authorized Printronix Distributor in the Middle East and GCC region.

Globalis International and its affiliate Alistech Trading LLC, for their own account, may submit a bid or tender and negotiate and sign in a contract for products manufactured by us.

PRINTRONIX LLC confirms that Globalis International Inc., may sell, install and service PRINTRONIX and TALLYGENICOM products offered. We hereby confirm that standard guarantee and warranty terms as per our standard terms and conditions will apply.

Globalis International Inc. is authorized to appoint resellers in the GCC and Middle East Countries through Globalis offices and subsidiaries in UAE, Saudi Arabia, Egypt and Lebanon.

Globalis International Inc. has access to the service documentation and procedures set by PRINTRONIX LLC as well as to original spare parts, and is equipped to provide full technical support for Printronix and Tally Genicom products, through trained professionals in the above specified region.

Further confirmation of the above mentioned facts may be obtained by contacting me by phone or email as indicated below.

Your Sincerely,
Xavier NICOLAI
